FINANCIAL RESPONSIBILITY AGREEMENT

Thank you for entrusting us with your personal dental needs. We are very proud of our knowledgeable, well-trained, and caring staff. You will find us dedicated to helping you maintain your optimum oral health.
Please take time to familiarize yourself with our office financial procedures and policies.

- Your dental insurance is a contract between you and your insurance company. We cannot guarantee payment or coverage of your claim. Insurance policies vary greatly. Therefore, owing to the complexity of Insurance contracts, **you are fully responsible for knowing your own insurance plan.** Treatment is recommended based on what you need, not on what you are covered for. As a courtesy, we will prepare and submit claims on your behalf. Full payment will be required if your insurance does not allow direct billing. We are happy to work with you to help you understand your dental benefits. We encourage you to bring in your insurance booklet so that we can review it with you.
- Balances are to be paid in full at each appointment, unless written financial arrangements are made in advance of your treatment. Please discuss payment options and fees with our staff, and they would be pleased to work with you to make the required arrangements.
- Provided 2-business days notice is given, no charge will be made for rescheduling an appointment. Otherwise a fee may be incurred. Once an appointment has been made, please remember this time has been reserved specifically for you. A 50$ fee will be applied to cover our expenses.
- We require a 50% deposit for major dental treatment (crowns, bridges, implants, removable appliances). If we have a valid preauthorization of benefits from your insurance provider, we will only require a deposit of the amount not covered. Any remaining balances are due on the day of service is complete.
- For your convenience, we accept the following forms of payment: cash, Visa, MasterCard, direct payment (Interac) or American Express. Personal cheques are not accepted.

YOUR FINANCIAL CONSENT

The patient/guardian agrees that he/she is fully responsible for payment of procedures performed in this office, including any treatment deemed not a covered benefit by any dental insurance the patient may have.
I certify I have read and understand the above.
